

Welcome to PubAlerts, a free service of the UNC Institute on Aging Information Center. Our goal is to alert you to new publications reflecting the interests of the North Carolina Collaboration on Lifelong Learning and Engagement, or NCCoLLE, (<http://www.aging.unc.edu/groups/nccolle/index.html>) and to explore the potential of library and information services to facilitate lifelong learning and civic engagement among older adults. This alert also includes new publications that address library workforce issues, reflecting the interests of the Workforce Issues in Library and Information Science, or WILIS, project (<http://www.aging.unc.edu/research/wilis/>).

You can subscribe to this PubAlert, as well as other alerts produced by the Institute on Aging, through <http://www.aging.unc.edu/infocenter/pubalerts/pubalerts.html>.
